

To order End User Parts, create a Maintenance Online case using the following:

Problem Area	:	General Equipment
Issue / Problem Type	:	All End User Parts
Description	:	Parts Needed

Reference the 7-Eleven Operations Manual online in 7Hub for full, detailed information on End User Parts Program Terms and Conditions as well as instructions on how to place End User Parts Orders. For convenience, select terms and conditions of the program appear below:

GENERAL

- Parts supplied through End User Parts may be new or refurbished
- All items are shipped UPS Ground unless otherwise specified.
- End User Parts items should arrive at the store 7-14 days from the date a purchase order was created by the SSC purchasing department.
 - Cases for End User Parts orders will show in status "Store Review" and "Closed" in the Maintenance Online System BEFORE the store receives the product.
 - The case WILL show that a purchase order was issued and list the purchase order number as proof that the item has been ordered for the store.
- If a store has not received their order after 14 days from the day a case was created, please contact Christine Cox @ 972-828-3114 or Christine.Cox@7-11.com.

CHARGE DETERMINATION

- Unless specifically stated otherwise, purchases of items appearing in this End User Parts Catalog and the accompanying Retail Information System (RIS) End User Parts Catalog (collectively referred to as "End User Parts Catalogs") will be charged to the Store Operator's open account. Conversely, store's will be charged only for items in the End User Parts Catalogs – all other items are 7-Eleven Corporate charges and must be requested through 7-Eleven Maintenance or 7-Eleven Procurement.

ORDER COMPLETENESS

- All orders MUST have a quantity and an Oracle Item Number for a valid END USER PARTS item
 - Any orders without quantities will be processed with a quantity ordered of ONE (1)
 - Any orders without a valid Oracle Item Number will be canceled and a new request must be made
 - Any orders received for items that are not part of the End User Parts program will be removed from the request and only the valid End User Parts items will be shipped
 - Parts not included in the End User Part Catalog must be procured through the Facility Maintenance System. Contact Facility Maintenance System through the Maintenance On-Line Help Desk or by calling (800) 828-0711

RETURNS and DAMAGE CLAIMS

- Contact the shipper, as instructed on shipping documents, to expedite return and damage claim service. Escalate problems with returns or damage claims to Christine Cox at 972-828-3114 or Christine.Cox@7-11.com. Please note that re-stocking fees may apply on returned goods.
