Re: REDLINE® and BANG® Energy Drinks

Dear Mr. Lobana:

Please be advised that Emilio Guardado is no longer employed by VPX. His employment with VPX ended last month, on February 13, 2017. At this time, we urge you not to purchase any of our company's products, including our REDLINE® and BANG® energy drinks, from Mr. Guardado. Mr. David Fridkin of VPX is currently servicing your account, and all VPX products sold to your store must only be purchased through him.

We want to thank you, in advance, for your attention and cooperation regarding this matter. Please call or email my office should you have any questions.

Very truly yours,

Marc J. Kesten
General Counsel
